**MEMORANDUM FOR: The Assistant Secretary of Defense
(Intelligence)**

SUBJECT : Coordination of Omnibus NSCID

1. Reference is the attached Memorandum for USIB Principals, subject as above, reporting NSCIC approval of the concept of an Omnibus National Security Council Intelligence Directive which would replace the existing NSCIDs. The memorandum also establishes a USIB Task Group to develop a coordinated document from the initial draft which the DCI presented to the NSCIC.

2. As you will note from the attached memorandum, the USIB Task Group is to review the present draft with a goal of having a document available in early October for submission to the NSCIC Working Group.

3. In addition to the USIB Principals, the Directors of the [REDACTED] also have been invited to have representation on the Task Group. Active participation by your representative is requested. As the attached memorandum indicates, the first meeting of the Task Group is scheduled for 1400 hours, Thursday, 5 September.
